

WE must not in the Course of Publick Life expect *immediate* Approbation and *immediate* grateful Acknowledgment of our Services.—But let us persevere thro' Abuse and even Injury. The internal Satisfaction of a good Conscience is always present, and Time will do us Justice in the Minds of the People, even of those at present the most prejudic'd against us.

352.07
H88
1947

This Town Report is dedicated to the memory of Harry J. Connell, a faithful public servant for nearly half a century. At the time of his death he was still serving his Town as Representative to the General Court and Chief of the Fire Department.

Harry served as a member of the Police Department from April 1, 1913 and as its Chief from April 1, 1921 until April 1, 1946 when he retired because of ill health. For his Faithful services to the Town in this capacity he was voted a substantial sum of money and a plaque presented to him by the Selectmen of the Town. He also served as Treasurer of the New Hampshire Police Chief's Association which office he held at the time of his death.

Harry was admitted to the Fire Department on July 19, 1912 and was made its Chief on September 4, 1924, serving in that capacity until the end. He was also a State Fire Warden and President of the Hillsborough County Fire Wardens' Association for many years.

During World War 2, Harry served as Chairman of the Civilian Defense organization, putting in many long hard hours in an effort to help in the protection of persons and property in case of emergency. During the big flood and hurricane he spent many sleepless days and nights serving the helpless and sick in the stricken areas. It is safe to say that Harry gave his life for the community he loved. His was a life well spent and it will be for others to attempt to emulate the good works and deeds he did for us, the citizens of the Town of Hudson.

Town Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Junior High School Auditorium in said Hudson on Tuesday, the 9th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing for which purpose the polls will be open from 10 A. M. until 6 P. M., unless a later closing hour is voted by the Town.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.

4. To see if the Town will vote to authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

5. To see if the Town will vote to install 2 hydrants on Highland Street, easterly from Gloria Avenue and raise and appropriate money for the same.

6. To see if the town will vote to raise and appropriate the sum of Eight Hundred and Thirty-Five Dollars (\$835.00) to cover the amount spent by the Town for a new two-way radio in order that service could be maintained with the present FM system in Nashua.

7. To see if the Town will vote to pay special police officers the sum of \$1.00 per hour when in active service.

8. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) annually for the next three years to repair and maintain the present water holes.

9. To see if the Town will vote to establish the rate of pay for the Road Agent at \$1.30 per hour.

10. To see if the town will vote to raise and appropriate the sum of Forty-Three Hundred and Forty Dollars (\$4,340.00) to cover the amount spent for emergency in the purchase of two new snow plows for the trucks voted at the last annual town meeting.

11. To see if the town will vote to ratify the agreement made by the Selectmen with the Chief of Police, making the salary of said Chief of Police, Three Thousand Dollars (\$3,000.00) annually.

12. To see if the town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the repair and improvement of Oakwood Street, from the junction of First Street to the Junction of Third Street, upon petition of Charles Andrew and others.

13. To see if the town will vote to accept George Street, so called, dedicated to public use, on a plan of land dated April 1946 and approved June 22, 1946 and recorded at the office of the Registry of Deeds, upon petition of Arthur Rolo and others.

14. If the town votes in the affirmative on the preceeding article, to see if the town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to repair and improve same, upon petition of Arthur Rolo and others.

15. To see if the town will vote to install a street light on Atwood Avenue at Elmhurst on pole No. 15 and raise and appropriate money for the same, upon petition of Franklyn H. McAlister and others.

16. To see if the town will vote to raise and appropriate a sum not exceeding \$238.96 (1/100th of one percent of the town's valuation based on the 1947 assessment) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town in cooperation with the other communities in the Merrimack Valley Region.

17. To see if the town will vote to install a street light on Ferry Street at the junction of Ridge Street, so called, upon petition of Arthur H. Kitchener and others.

18. To see if the town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the purpose of tarring the Barrett's Hill Road from the Talbot Farm so called, to the residence of J. A. Melvin upon petition of Lewis F. Hammond and others.

19. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) to grade, gravel and surface treat with tar "E" Street, so called on the Plan of Brookside Park by E. O. Hathaway, Civil Engineer dated October 1912, and on file in the Hillsborough County Registry of Deeds, for a distance of about five hundred (500) feet from Belknap Road on the south to "A" Street, so called on the North, upon petition of Theodore A. Lindquist and others.

20. To see if the Town will vote to accept, gravel, surface treat with tar and relocate, if necessary, that portion of Adelaide Street not now improved as shown on Plan 202 in the Hillsborough County Registry of Deeds and dedicated to public use thereon; and to raise and appropriate the sum of Three Hundred Dollars (\$300.00), to cover the expense thereof, upon petition of George H. Parker and others.

21. To see if the town will vote to accept Cummings Street, so called from the junction of Derry Road to the Junction of Baker Street, the width of said proposed street being Fifty (50) feet and raise and appropriate the sum of Three Hundred Dollars (\$300.00) to repair and improve same upon petition of Gustave Claveau and others.

22. To see if the town will vote to install two hydrants on the Melendy Road, southerly from the Hudson Water Co. pumping station and raise and appropriate money for the same, upon petition of Charles Lefebvre and others.

23. To see if the town will vote to amend Article 1 of the Zoning Ordinance, adopted at the town meeting in March, 1942

by adding at the end of paragraph 3, the following: "and the southerly side of Central Street from Belknap Road to Merrill Brook, so called, which crosses Central Street near Hamblett's Garage and flows into Ottarnic Pond", upon petition of George Albee and others.

24. To see if the town will authorize the Selectmen to sell the land and buildings known as the town sheds on Chase Street, using the income therefrom to repair and otherwise improve the so called Melendy Mill property for the use of the Highway Department, upon petition of Frank A. Connell and others.

25. To see if the town will vote to accept Pinedale Avenue, so called, dedicated to public use on a plan of land dated September, 1915 and recorded at the office of the Hillsborough County Registry of Deeds, upon petition of Nick Mitchell and others.

26. If the town votes in the affirmative on the preceeding article, to see if the town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) to repair and improve same from the junction of Riverside Avenue, northerly approximately Four Hundred (400) feet, upon petition of Nick Mitchell and others.

27. To see if the town will vote to install a street light at the northerly end of Baker Street and raise and appropriate money for the same, upon petition of Louis L. Spaulding and others.

28. To see if the town will vote to authorize the Selectmen to alter the layout of Highland Street, by relocation for a distance of about two hundred (200) feet westerly from George Street, so called and about One Hundred Fifty (150) feet easterly from George Street, so called, as relocated on Plan of Land of Arthur C. Rolo, said relocation of Highland Street to be done by layout at no cost to the town by abutting owners. All in accord with Chapter 90, Laws of 1945, Part 5 being Chapter 188, Laws of 1945, upon petition of Virginia M. Fuller and others.

29. To see if the town will vote to install 3 street lights on Greeley Street, 1 near the residence of George Albee, 1 at Glover's Corner, so called, near the residence of Stewart Benson and 1 at

the intersection of Highland and Greeley Streets and raise and appropriate money for the same, upon petition of Lewis F. Hammond and others.

30. To see if the town will vote to install a street light on the Lowell Road at the curve near the residence of Mrs. David French and raise and appropriate money for the same, upon petition of Mrs. David French and others.

31. To see if the town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) for use of the Planning Board to cover incidental expenses pertaining thereto, upon request of the Planning Board.

32. To see if the town will vote the adoption of an official zoning map as submitted and on file at the Town Clerk's office and to change Article 1, Section 1 of the Zoning Ordinance to read "For the purpose of this ordinance the Town of Hudson is hereby divided, as shown on the Zoning Map, dated February, 1948 and on file with the Town Clerk, into three zones, etc., upon request of the Planning Board.

33. To see if the town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to be used in the building of sidewalks in conjunction with property owners in conformity with the State Law, upon request of the Planning Board.

34. To see if the town will vote to authorize the Selectmen to take proper steps covering the legal process necessary to close a section of a County Road, said road known as Haverhill Street and said section being that part which lies between Ferry and Highland Streets, upon request of the Planning Board.

35. To see if the town will vote to accept School Street Extension, so called, dedicated to public use, on a Plan of Land of Elizabeth J. Kimball, Hudson, N. H., dated July, 1947 and recorded in the Hillsborough County Registry of Deeds as Plan No. 745, upon petition of Elizabeth J. Kimball and others.

36. If the town votes in the affirmative on the preceding article, to see if the town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to repair and improve same, upon petition of Elizabeth J. Kimball and others.

37. To see if the town will vote to construct a sewer from the corner of Leslie Street and Derry Road to a point at the junction of Derry Road and Cummings Street, so called, and raise and appropriate money for the same upon petition of Zoula O. Rowell and others.

38. To see if the town will vote to improve "A" Street by tarring same from the Belknap Road to the Pigeon residence near the junction of "F" Street and raise and appropriate the sum of Three Hundred Dollars (\$300.00) to cover the cost of same, upon petition of Yvonne S. Jeannotte and others.

39. To see if the town will vote to install a street light on "A" Street at the junction of "F" Street, near the residence of Etienne Briand and raise and appropriate money for the same, upon petition of Wilfred L. D'Amours and others.

40. To see if the town will vote to repair and improve Atwood Avenue and raise and appropriate the sum of Two Hundred Dollars for the same, upon petition of Adrian G. Magrath and others;

41. To see if the town will vote to raise and appropriate the sum of Forty-five Hundred Dollars (\$4,500.00) for the purpose of purchasing a road grader for the Highway Department.

42. To see if the town will vote to issue serial notes of Two Thousand Dollars (\$2,000.00) each to cover the cost of all new highway equipment, including the plows and grader.

Given under our hands and seal, this 16th day of February in the year of our Lord Nineteen hundred and forty-eight.

**REPORT OF AN AUDIT AND EXAMINATION
OF THE ACCOUNTS
OF THE
TOWN OF HUDSON
MADE BY
THE DIVISION OF MUNICIPAL ACCOUNTING
OF THE
STATE TAX COMMISSION**

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

September 22, 1947

Board of Selectmen
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Hudson which was made by the Division of Municipal Accounting of the State Tax Commission in accordance with the vote of the town. This audit covered the period from August 3, 1946 to July 31, 1947.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent and Trustees of Trust Funds.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipt were checked by source, insofar as possible, and totals of receipts and expenditures verified.

TAX ACCOUNTS

The tax warrants of Collector Baker for the levies of 1946, 1945, 1944, 1943 and 1942 were audited.

TOWN CLERK

The accounts of Town Clerk John E. Baker were examined and audited. All funds received by the Town Clerk on account of the issuance of motor vehicle permits and dog licenses were properly accounted for through remittances to the Treasurer or cash on hand.

TRUST FUNDS

Securities representing the invested principal and bank books representing the principal and unexpended income of the trust funds were examined.

SURETY BONDS

The surety bonds of the town officers were examined and found to be satisfactory as to form and amount.

GENERAL COMMENTS

Capital Reserve Fund:

The principal amount of the Capital Reserve Fund, which was established for the purpose of obtaining new Highway Department equipment, was reported as \$5,000 on December 31, 1946. This amount was in the custody of the Trustees of Trust Funds.

Dog Licenses:

The amount of dog license money paid over to the School District in 1946, \$455.76, represented the total receipts from this source, \$751.00, less the amount of damage by dogs of \$295.24. In addition the amount paid to the Town Clerk for issuing the licenses, \$59.80, should likewise have been deducted before payment was made to the School District. This amount can be deducted when settlement is made for the current year's dog license account.

CONCLUSION

The accounts and records of all town officials which were examined were found in good condition, with minor exceptions as herein noted. Accounting procedure conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,

/s/ HAROLD G. FOWLER
Harold G. Fowler
Director

Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, *Auditor*
Norman P. Schauer, *Accountant*

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

September 22, 1947

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the Town of Hudson for the fiscal year ended December 31, 1946 and the period from January 1 to July 31, 1947 and found them to be in good order.

Respectfully Submitted,

/s/ **HAROLD G. FOWLER**

FIRE REPORT

From January 1st, 1947 to January 1st, 1948

Total number of calls	93
Buildings	1
Barns & garages	3
Misc., including brush	89
Total valuation lost	\$4,000.00
Insurance paid	7,743.00

Our greatest disaster was the extensive brush fire on the Chase Hill Road. This fire started near the Marsh Road and swept through to the Derry Road. The cost of this fire was very high and explains the reason for the over expenditure in the Fire Department. At the time of this conflagration the Town put the old G. M. C. truck back into service and hauled water in barrels until later it was decided to equip it with a water tank which will now be available for any forest fires we may have in the future. Appreciation is hereby extended to the Town of Westford, Mass. which sent men and equipment to help us without charge to the Town.

Signed:

HARRY D. EMERSON, *Chief*

BLANCHE C. FULLER, *Town Treasurer*

Planning Board

Report of Hudson Planning Board

The Planning Board submits the following as its annual report to the selectmen and the citizens of the Town of Hudson for the year ending Dec. 31, 1947.

You are all no doubt interested in the progress made concerning the sewerage system survey authorized at last year's town meeting.

Application was made to the Federal Works Agency who subsequently replied that funds which had been set aside for such projects by Congress had been exhausted for the present but it is expected the new Congress will set up additional funds for the continuation of such projects which have been approved. If this appropriation is made we will be so notified and the survey will be completed.

The long range plans of the Planning Board are for the good of the town in general. At present it is conceded the approach into the town of Hudson from the city of Nashua is very bad both for traffic and view. This section of the town if revamped could make a wonderful improvement both in the elimination of traffic congestion, death traps for our pedestrians and unsightly buildings. Over a period of a few years we have had two fatal and one near fatal accidents in this area.

It is therefor the recommendation that the town of Hudson work toward the establishment of a "rotary" for traffic at the bridge with the elimination of parking on more than one side of the street on all approaches within 300 feet of the bridge, that the business area be moved to a location away from the main thoroughfares near the bridge to a location where through traffic is not a problem and where parking would not constitute a definite hazard.

Definite plans could be laid out for study and approval and all town departments could set their goal toward that which should benefit all, namely a local business area away from the main arteries which converge at the bridge.

In order to accomplish the above, together with future proposals which are due to appear as the town expands and progresses, it is recommended that the office of "Town Engineer" be established. The establishment of such an office, with specific duties and salary attached would keep under control highway grades, land developments and property settings, sewerage, and records of same for future use.

Your planning board is at present studying the building situation with the thought in mind that within the near future, zoning ordinance revisions or additions may be presented to the town for approval.

- It is urged that the reports of each and every department be read and considered before town meeting. Then let us give constructive criticism to all departments for the good of our town.

Respectfully submitted,

THE HUDSON PLANNING BOARD

Term Expires March, 1950

School Warrant

The State of New Hampshire

To the Inhabitants of the School District in the Town of Hudson qualified to vote in district affairs:

You are hereby notified to meet at the Junior High School in said district on the 9th day of March 1948, at 3 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see what action the district will take in regard to continuing to improve the grounds around the Junior High School building and raise and appropriate the sum of two hundred dollars (\$200.) for same.
10. To see if the School District will vote to raise and appropriate the sum of four thousand dollars (\$4000.) for the purpose of paying to each teacher two hundred dollars (\$200.) as a cost of living salary adjustment during the remainder of this fiscal year. (Upon petition of Wallace Ahrendt and others.)

11. To transact any other business which may legally come before the meeting.

Given under our hands at said Hudson this 17th day of February 1948.

Report of Junior High School Principal

Hudson, New Hampshire
February 2, 1948

To the Citizens of the School District of Hudson, N. H.:

I herewith submit to you my second annual report as Principal of the Hudson Junior High School.

When regular sessions began last September, we considered ourselves relatively fortunate in having a teacher turnover of but three persons from our staff of nine members. New members include Mr. Warren Brockway, who is teaching Physical Education, Civics and Science; Mrs. Dorothy Eaton, who has charge of Girl's Physical Education and English; and Mr. Abraham Davis, who now has charge of the Manual Arts department.

Our school attendance has been relatively good this year. The percentage for the first half of the 1947-48 school year for the entire school is 94.19%. However, there are a few pupils whose irregular records in this respect are keeping our record, as a school, from being excellent. At stated intervals, parents are mailed notices when our registers show that their children have been absent from school in excess of twenty sessions. I have greatly appreciated your being conversant with the school when children have been detained from attendance. We cannot begin to stress the importance to you and to your child of regular school attendance. Makeup work will never begin to take the place of regular class work in the Junior High School.

Our program in Guidance this year emphasizes character training and human relations. In this one-period-per-week course, conducted by the home room teachers, our boys and girls are learning why they behave as they do. This program, which is also used in the Delaware Public Schools, received nationwide commendation in an article published in last July's Reader's Digest.

Monthly socials and weekly moving pictures of an educational nature form a part of the extra-curricular activities for all pupils at the school. This year, our basketball teams are playing independently. Not being members of the League, they are in a position to compete with schools more in their own class.

While conditions in our lunch room are beginning to demand more space and equipment, the lunch program continues to be efficiently and effectively carried out by Mrs. Mary Hunnewell and Mrs. Laura Miller.

Pupils were given physical examinations by Dr. Quigley and Mrs. Helen House, R.N., late this fall. Contacts with parents regarding needed corrections have met with splendid cooperation. I refer you to Mrs. House's report.

Every school has its pupil-school problems. Experience shows that these are best met when parents and school officials meet upon a cooperative basis and try to discover the root of the difficulty as well as the truth. You are with us in this respect in order to insure continued school progress.

For the limited time that our custodian can give to this building, our janitor service has been of the very highest order.

Among the physical needs for our school is an acoustical ceiling for the Gymnasium-Auditorium. The value of the Gymnasium as an auditorium would be greatly increased, were this improvement added. Few persons realize the great savings that would be effected in use of fuel were this form of insulation available. It might also be well to consider a continuance of the fine piece of work that was done last summer on the front lawn.

The P. T. A. is showing active and helpful interest by sponsoring a milk fund for under privileged children.

Surely our school is progressing in every way. I wish to thank everyone who have, in any way, contributed to this progress.

Respectfully submitted,

RALPH LINTON

Principal

Report of the Superintendent of Schools

Hudson, New Hampshire

February, 5, 1948

To the School Board and Citizens of the School District of Hudson:

It is my privilege to bring to you a second annual report relative to your schools.

High quality work has continued in our schools. Standardized tests of achievement have been given in all grades. The results of these show that we compare very favorably with others throughout the country. Of course, these tests are not perfect nor all-inclusive. Nevertheless, they offer us a means of measuring the progress of individuals.

It has been interesting and satisfying to note that a very favorable number of those in the honor group at Nashua High School received their earlier preparation in our schools. While it seems unwise to be "puffed" up over their success, we should be permitted to "point with pride" to the standard which we have been able to hold. I believe that this pride, added to their professional enthusiasm, has led our teachers to give of their energy beyond the point that salary could be an adequate return.

You should be aware of the problems involved in housing our pupils. It is true that we have been able to provide a seating space for each one. Beyond that, little that is favorable can be said for those in the lower six grades. There is no suitable space for recreation when it is too cold or stormy to be outside. Available space which is suitable for lunch use is too limited to allow meeting nutritional needs. A solution which seems to possess great merit lies in the acceptance of the Hills Trust Fund for building the Alvirne High School so that the present Junior High School building can be redeveloped to adequately house the lower six grades.

A distinct improvement in the appearance of the Junior High School grounds was made last summer. The upper level of the front area was smoothed up and seeded. It is hoped that the work can continue until the street line is reached. More grading is needed before the seeding can be undertaken.

I feel that I should again report on the acoustical difficulties at the Junior High School building. We may regret being unable to construct the perfect building through lack of funds. We now find that the sound equipment on a movie projector cannot function with full satisfaction until the hard surfaces are treated to absorb the echoing sound. An acoustical ceiling in the auditorium would serve two highly useful purposes—make the room more usable for speaking and movies and aid greatly in the heating since it would serve as over head insulation.

It is frequently true that we fail to appreciate those who are intrusted with the direction and operation of our schools. The burden of training for living as useful, responsible citizens bears heavily upon their shoulders. It is the business of the School Board, whom you elect, to apply the funds which you make available in the most effective and impartial fashion for the benefit of all the pupils. Your present board members have applied themselves diligently to this task. We have been fortunate to find qualified teachers whose interests or home conditions were such that they were willing to come into our schools. It does not seem fair for us to do less than our best toward paying them as fully as their training and ability could command elsewhere.

I am pleased to observe an increasing willingness and desire toward full cooperation of parent and teacher; of community and school.

Respectfully submitted,

HERBERT W. CANFIELD

Report of the School Board

Hudson, New Hampshire

February 4, 1948

Realizing that the voters of the Hudson School District are vitally interested in the prospect of receiving the gift of a new Junior-Senior High School through the generosity of the late Dr. Alfred K. Hills and are entitled to all the information which is available to the Board at the present time in connection therewith, we have decided to devote our entire report to this subject.

The special meeting of September 18, 1947, held under authority of the Superior Court, was to consider the acceptance of the following offer made by the trustees of the Hills Fund and the trustee of the Mary F. Creutzborg Fund.

“WHEREAS, the trustees under the will of the late Alfred K. Hills, a resident of Hudson at the time of his death, pursuant to the terms thereof, have offered to convey, subject to certain conditions, to the district for school purposes certain real estate in said town generally known as the Hills Estate, and to make available immediately three hundred thousand dollars (\$300,000) for the construction and equipment thereon of a school to be known as the Alvirne School, which the Hudson School District may use for high school purposes and,

WHEREAS, said trustees and the trustee under the will of the late Mary F. Creutzborg, a resident of Hudson at the time of her death, pursuant to the provisions of said wills have proposed to transfer, subject to certain conditions and the approval of the court, certain funds to a Foundation, a non-profit voluntary corporation organized for educational purposes, so that there will be available for the benefit of students attending said school the income thereof which will be of material assistance in the conduct, maintenance and operation of said school, and the assistance and co-operation of said Hudson School District is required to effectuate the purposes of the Foundation.”

The above offer was presented to the voters at the meeting by Louis E. Wyman, Esquire, attorney for the Trustees of the two funds. Mayland H. Morse, Esquire, of Concord, counsel for the School District, explained all the legal aspects of the offer so far as they affected the District. This offer seemed generous to the voters and the fact that there would be income from endowment funds, even though the amount might not be sizeable, to help operate the school made it appear certain that we could build and maintain such a high school. It was voted all but unanimously to establish and maintain a high school to be conducted as the Alvirne School located on the so-called Hills Estate in Hudson, in accordance with section 19 of chapter 138 of the Revised Laws, and to accept the offer of the trustees under the Hills will.

As the offer was made subject to the approval of the Court, it was necessary to refer the offer and acceptance by the District back to the Superior Court. Hearings were held and witnesses called. After all the evidence was in and the case closed, briefs were filed by the counsel of the various parties. Although the School District was not a formal party to the proceedings, its counsel, with the court's permission, filed a brief in behalf of the District as "friends of the court." The Court's decree, which was rendered at the January 1948 Term of the Superior Court, is as follows:

"It is, therefore, ADJUDGED, ORDERED AND DECREED THAT:

A. The Hills Estate Trust Fund be and it hereby is irrevocably dedicated to school purposes through the transfer of the real estate in Hudson, New Hampshire, to the Hudson School District, and the transfer of all other assets and securities now or hereafter in the hands of the trustees to the Hudson School District for use by the Hudson School District for the following purposes and under the following conditions:

1. The real estate shall be forever held by the Hudson School District for the purpose of maintaining thereon a school to be known as the Alvirne High School.
2. The other assets and securities shall be used so far as required under the direction of the Board of Education of the State of New Hampshire in the erection and equipment

of suitable buildings on the Hills Estate in accordance with the "proposed program and necessary facilities for the Alvirne High School" as prepared by the Board of Education of this State.

3. The remaining assets and securities and any moneys received from the Mary F. Creutzborg Estate Trust shall be held in trust in accordance with Chapter 51 of the Revised Laws and any amendments thereto, the income only to be available, in accordance with the vote of the Hudson School District, either for accumulation or for the use of the said district in defraying the cost of transporting pupils to and from the Alvirne High School within the Town of Hudson, in paying expenses for the development of the Hills property, in providing athletic facilities, agricultural experimental stations, industrial work shops, and special instruction as the district may deem expedient.
4. The Hudson School District shall undertake and agree to furnish at its expense a curriculum offering agricultural, vocation, industrial and forestry studies in addition to general cultural high school studies in accordance with the proposed program; to operate and conduct the Alvirne High School at all times with a teaching staff and curriculum approved by the Board of Education of the State of New Hampshire, and to pay all expenses of operation, maintenance and repair of the buildings and grounds as established and developed by the use of the Hills fund.
5. The town trustees shall be answerable to this court on petition of any interested party and shall furnish the office of the Attorney General with annual reports as of the date of the acquisition of any funds by them.
6. Upon default in any of the conditions made herein the trust fund then remaining in the hands of the town trustees and the real estate with improvements, buildings and equipment thereon shall revert to trustees appointed by this court, and said trustees shall thereafter administer said funds and property in accordance with such orders as this court may from time to time make.

B. The trustees of the Hills Estate are hereby directed upon acceptance by the Hudson School District of the terms contained in Section A to execute a deed of the real estate to the Hudson School District and to transfer the moneys and securities herein dedicated to said district, such transfer of the real estate and other property constituting a compliance with the intent of Alfred K. Hills under the nineteenth paragraph of his will.

C. Upon acceptance by the Hudson School District of the conditions set forth in Section A and upon the transfer to the Hudson School District by the trustees of the Hills Estate Trust as herein directed in Section B, Jessie Norwell Hills and the Indian Head National Bank as trustees under the will of Mary F. Creutzborg are advised and authorized, upon determination by Jessie Norwell Hills that the transfers by the trustees under the will of Alfred K. Hills to the Hudson School District constitute the organization and conduct of a school pursuant to the intent of Alfred K. Hills, and upon her decision that it is wise or expedient to transfer any part or all of the Creutzborg Estate Trust to the Hudson School District, to be held in trust as an endowment by said district under the conditions as set forth in Section A, to transfer to the Hudson School District for the endowment of the Alvirne High School such part or all of the Creutzborg Estate Trust assets as it shall be determined by the said Jessie Norwell Hills to be wise or expedient to so transfer. This advice and authority shall extend during the lifetime of Jessie Norwell Hills.

D. Jessie Norwell Hills as trustee under the will of Mary F. Creutzborg is further advised that her power of disposal of the Creutzborg Trust Estate includes the power by transfer during her lifetime and by will upon her death, and also includes power during her lifetime or upon her death by will or deed to appoint a trustee or trustees with equal powers and like those conferred upon her to execute the Creutzborg Trust within twenty years from the death of Jessie Norwell Hills."

/s/ JOHN R. GOODNOW

Presiding Justice

A copy of the Court's findings has been filed with the Secretary of the Board and any information relative thereto may be had upon

request.

Exceptions to the decree have been filed by counsel for Dora Ashmead Dunn and Sidney Dunn and others, which is the first step in securing the transfer to the Supreme Court of the questions of fact and law involved in the case.

In Clause A, paragraph 2, of the Court's decree, reference is made to a "proposed program and necessary facilities for the Alvirne High School." Dr. Edgar Fuller, Commissioner of Education, had this program prepared by members of his staff and it was appended to the brief filed by the Attorney General. This is a much more elaborate and extensive building program than we anticipated would be required by the State Board of Education and would mean that practically all of the money in the Hills Trust would have to be used for buildings and equipment with little, if anything, left for endowment purposes. Your Board feels sure that eventually a satisfactory building program and curriculum can and will be worked out for the school through cooperation with Dr. Fuller and his staff of assistants, although we believe it is going to require a lot of careful study to make sure that we know the extent of the obligations we are assuming before any final decision is made.

As the presently decreed use of the Hills Fund contemplates a larger physical plant than that proposed under the original offer of the trustees and the probable elimination of any trust funds, the Presiding Justice in his findings states, "the Hudson School District shall again meet to consider the plan as embodied in this decree and vote on its acceptance or rejection of the terms and conditions contained herein."

Your Board strongly recommends that no definite action be taken until the appeals to the Supreme Court have been acted upon and we know definitely just where we stand so far as the amount of funds from the Hills Trust and the possibility of any funds for endowment from the Mary F. Creutzborg Fund are concerned.

Respectfully submitted,

Report of School Nurse

Hudson, New Hampshire

February 5, 1948

Superintendent, School Board members and citizens of Hudson:

Findings and corrections during 1947 are as follows:

Number of pupils examined	508	
Number of pupils showing dental defects	183	92 corrected
Number of pupils showing tonsil defects	47	26 corrected
Number of pupils showing visual defects	24	14 corrected
Number of pupils showing speech defects	5	
Number of pupils showing hearing defects	9	5 under treatment
Number of pupils showing orthopedic defects	5	3 under treatment
Number of pupils showing asthmatic condition	5	
Number of pupils showing cardiac condition	4	

Through the cooperation of the State Board of Health and local P. T. A. association a very successful summer round-up clinic was held at Junior High School in May. Many parents took advantage of this physical examination thus giving those about to enter school a chance to have any defects corrected. Also vaccination and immunization.

The audiometer test was given to pupils from second grade through ninth. Whooping cough and chicken pox has been quite prevalent in the lower grades. Many of the local organizations have generously contributed toward a nutritional or welfare fund thus providing milk, hot lunch, etc. for children in need of it.

The fine cooperation of most parents and teachers is a factor in promoting the health program and is sincerely appreciated.

Respectfully submitted,

HELEN J. HOUSE, R. N.

School Nurse
